ORDER

It is ORDERED that the motion for extension of time (Doc. No. 12) is denied for the following reason.

This court has made clear that, "A request or motion for extension of a deadline in any court order ... must indicate that movant has, in a timely manner, previously contacted counsel for all other parties; and ..., based on that contact, must state whether counsel for all other parties agree to or oppose the extension request or motion," and "[a] request or motion that fails to meet this requirement will be denied outright, unless the movant offers a credible explanation in the request or

motion why this requirement has not been met." Scheduling Order (Doc. No. 7), § 9(B). Movant here has failed to comply with these requirements.

DONE, this the 7th day of June, 2007.
